

# Erasmus+ Call 2024/2025 Mobility for Study

UNIVERSITÀ DEGLI STUDI  
DI PERUGIA

The Erasmus+ program for study allows students to spend a period of study at a **European or extra-EU university**, affiliated with the University of Perugia.

The student has the opportunity to **follow courses, take exams, carry out thesis and traineeship**, with the guarantee of **full recognition** of the training activities carried out abroad with positive results, provided they are approved under the **Learning Agreement**.

## Eligible countries:

**Programme Countries (EU countries):** Austria, Belgium, Bulgaria, Cyprus, Croatia, Denmark, Estonia, Finland, France, Germany, Greece, Ireland, Iceland, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Norway, The Netherlands, Poland, Portugal, Czech Republic, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Turkey, Hungary.

**Partner Countries (Extra-EU countries):** Albania, Argentina, Australia, Brazil, China, Kosovo, Morocco, Mexico, Paraguay, Peru, United Kingdom, United States of America, South Africa, Switzerland, Tunisia, Uruguay, Vietnam.

## Mobility Period

Students can spend their mobility period at our Partner Universities between **June the 1<sup>st</sup>, 2024 and July the 31<sup>st</sup>, 2025.**

Erasmus students may request an extension of the period abroad from the Department Erasmus Delegate, subject to authorization from the host University, at least one month before the end of the initially planned mobility period.

The extension period cannot be extended beyond July the 31<sup>st</sup>, 2025.

## Types of Mobility

### LONG-TERM PHYSICAL MOBILITY

Long-term physical mobility is intended for all students enrolled in a degree course, master's degree, single-cycle master's degree, doctoral courses, masters and specialization schools of the University. This type of mobility must have a **minimum duration of 2 months and a maximum of 12 months** and its duration is established by the inter-institutional agreement stipulated by the University of Perugia with the foreign university.

## Types of Mobility

### SHORT-TERM PHYSICAL MOBILITY

Short-term physical mobility must have a **duration of between 5 and 30 days** and is provided as part of the mobility of **doctoral students**.

**IMPORTANT**

## Requirements for participation

- a) Being **regularly enrolled** at the Università degli Studi di Perugia in the current academic year;
- b) Have adequate **knowledge of the foreign language**, as required by the host university;
- c) Provide for the renewal of enrollment at the University of Perugia for the A.Y. 2024/2025;
- d) **Having not benefit**, in the same period of Erasmus+ study mobility, from a community contribution provided by other mobility programs financed with **community funds**.

The **status of student enrolled** in a study course at the University of Perugia must be **maintained for the entire duration of the Erasmus+ study period**.

**The achievement of the degree** or qualification required by one's course, before or during the period of study abroad, **entails the forfeiture of the Erasmus contribution** and the obligation to repay the funding received.

## Compatibility with previous Erasmus+ experiences

Students who have already completed a period of study or internship within the Erasmus+ Program can apply under the following conditions:

- a) If enrolled in the **same study cycle** in which they carried out the Erasmus+ mobility, **the total duration of the mobility must not exceed 12 months including the months already completed** (24 in the case of a single-cycle master's degree);
- b) If enrolled in a **study cycle other than the one in which they carried out the Erasmus+ mobility**, the total duration of the mobility **must not exceed 12 months** (24 in the case of a single-cycle master's degree), **without including** those months already completed in the cycle of previous studies.

## Study abroad program

The study activity for the mobility period is agreed, before departure, with the home university and with the foreign university through the Learning Agreement, which indicates the educational activities that the student will carry out at the partner university.

**IMPORTANT INFORMATION:** For the Erasmus+ 2021-2027 programme, Learning Agreements must be managed online. Higher Education Institutions can do this by using the [Online Learning Agreement platform](#) or an equivalent system connected to the Erasmus Without Paper Network. Therefore, this template is provided by the European Commission for information purposes only and must not be used to manage Learning Agreements for studies. Please visit the Erasmus Without Paper Competence Centre for a more detailed data standard, to which all equivalent systems need to adhere. For further guidance on how to manage Online Learning Agreements – Please read the [Guidelines on how to use the Learning Agreement for studies](#).

Each student can select **only one location in a European country**, defined Programme Country, and a **one location in a non-EU country**, defined Partner Country, referring to the **subject area (Isced Code)** indicated for each destination.

It should be noted that it is mandatory to respect the disciplinary area as it identifies the activities that can be carried out at the partner institution.

## Selection criteria

Candidates are selected by the Erasmus Commission of the Department.

The selection of **students for bachelor's, single-cycle, master's and master's degree programs** is carried out according to the following criteria:

- a. **total number of credits** acquired, in relation to the total number of credits included in the study plan;
- b. **average of the marks** of all the exams passed by the student and, for students enrolled in master's degree courses, marks obtained in the first level degree;
- c. **language skills**;
- d. **description of the study project** that the student intends to carry out at the chosen university campuses and of the relative congruence with his or her study path at the university.

## Selection criteria

The selection of **students enrolled in the doctorate and in the specialization school** takes place on the basis of the following criteria:

- a. **number of academic years used by the student** to complete the course of study necessary for access to the doctorate or specialization school in relation to the years foreseen;
- b. **degree mark** obtained by the student in the study courses already completed and marks obtained in the exams if present in the doctoral course or in the specialization school to which he/she belongs;
- c. **language skills**;
- d. **description of the study or research project** that the student intends to carry out at the chosen university locations and of the relative congruence with his or her study or research path at the university.

## Upcoming information days

- February 28, 2024 at 11.00

The **Erasmus Delegates of the Department** will organize **further information meetings**.  
The calendar of meetings will be published on the Department website and at the link
