

ANNEX 2 to the Call for admission to the PhD course of national interest in “Catalysis and Energy” - XLI cycle - academic year 2025/2026 - Application Form and Related Attachments

COMPILATION NOTES

1. The application procedure is computerized. No documentation sent by post or email is permitted and will not be accepted.
2. Before completing the application, it is recommended to carefully read the Notice/Call, in particular Annex 1, and to check which documents must be attached.
3. Documents **must** be uploaded **in pdf format**. It is also recommended to use a workstation equipped with a printer and scanner to be able to correctly upload documents that require signature, scanning and file upload.
4. It is possible to fill out the application by accessing the platform multiple times, saving the data entered. In this way the user will enter the next time and through the "MODIFY (MODIFICA)" button will be able to continue filling out by accessing from the "Dashboard (Cruscotto)".
5. The application procedure via the online platform consists of different steps. It is recommended to complete the application to participate in the selection well in **advance** of the deadline, in order to avoid the risk of being excluded from the selection due to technical problems.
The procedure **is active from 1 July 2025 until 31 July 2025**, including the payment phase of the participation fee,
6. It is the responsibility of the candidates to verify the correct completion of the procedure, including the uploading of attachments. The Doctoral Office (Ufficio Dottorati) does not guarantee preventive checks on the correct insertion or completeness of the applications transmitted by the candidates.
7. You can always view the status of your applications and payments from the “Dashboard”.
8. For technical problems, contact the appropriate support from Monday to Friday from 9 to 17 using the "support (Supporto)" button at the bottom of the page **<https://pica.cineca.it/unipg/>**

1. ACCESS TO THE SYSTEM

To access the system you need to connect to the site **<https://pica.cineca.it/login>**

Access can be made:

- via SPID (Public Digital Identity System);
- in the absence of SPID, it is possible to register by clicking on “New Registration (nuova registrazione)” and entering the data requested by the system (for those who already have a user account in the LOGINMIUR database, it is possible to access without registering by entering the username and password of the LOGINMIUR account); in this case you must select LOGINMIUR in the credentials field.

If the user has the credentials but does not remember them, he must click on the option “*Forgot your credentials ? (credenziali dimenticate?)*”.

After entering all the data required by the registration procedure, click "Register (registrati)". The system will send an email to the address entered with instructions to confirm registration. If the candidate does not receive this message or is unable to view it, he/she must contact technical support via the link at the bottom of the page <https://pica.cineca.it/unipg/>

2. APPLICATION FOR PARTICIPATION

The application to participate **in the PhD course of national interest in “Catalysis and Energy”** must be drawn up using exclusively the online procedure available on the page <https://pica.cineca.it/unipg/dottoratoxl/>, after logging in to PICA.

The application for participation, **under penalty of exclusion, must be signed by the candidate.**

For candidates who access the procedure for completing the application for participation through identification via the **SPID system (Public Digital Identity System) – level 2, it is not necessary** to sign the application.

Once the application has been filled out and submitted, the candidate will receive an email with an identification number that, together with the selection code indicated in the computer application, will be used for any subsequent communication. A confirmation email will also be sent to confirm delivery.

The guidelines for completing the application to participate in the selection procedures on the integrated university competition platform – PICA are available at <https://pica.cineca.it/file/LineeGuidaDomandaPagoPA.pdf/>

Once all the mandatory fields have been filled in, if the system indicates that the data is complete, you can proceed with **payment directly** from the PICA portal by clicking on the “Payment” button.

Once the payment transaction of the contribution has been started, the “Sign and submit (Firma e presenta)” button will become sensitive and it will be possible to

complete the submission of the application.

Once the application has been completed, by clicking on the “Sign and Submit (Firma e presenta)” button, the system generates the preview of the application file. The candidate must confirm again the intention to submit the application by clicking on “Sign (Firma)” at the bottom of the page. The system generates the PDF of the application and offers the different signature methods (manual, digital or via the “ ConFirma ” service).
