WORK EXPERIENCE

- **From 2015– to present**
University of Perugia
Associate Professor (Area 07/F1 - Food Science and Technology, SSD AGR/15 - Food Science and Technology) at the Department of Agriculture, Food and Environmental Sciences, University of Perugia.
- **From 2006– to 2015**
University of Perugia
Assistant Professor.
- **From 2003– to 2006**
University of Perugia
Research Fellow, University of Perugia.

EDUCATION AND TRAINING

Ph.D in Food Biotechnology, University of Bologna
M.S. in Agricultural Sciences, Faculty of Agriculture, University of Perugia.

INTERNATIONAL RESEARCH EXPERIENCES

Department of Food Science, Royal Veterinary and Agricultural University of Copenhagen (DK).
Laboratoire de Chimie Appliquée, Faculté d'Œnologie de Bordeaux (F).

ACADEMIC TEACHING ACTIVITY

CLASSROOM TEACHING

- Food Technology Processes II (2006-2012) (6 CFU); Enology I (2008 to Present) (6 CFU);
Enology II (2012 to Present) (6 CFU) (B.Sc. in Agro-food Sciences and Technologies);
- Processing of Fermented Beverages (2020 to Present) (6 CFU) (M.D. in Food technology and biotechnology).

**RESEARCH INTEREST AND
EXPERIENCES**

Research activities were oriented towards the following main research topics:

- 1) Development of instrumental methods of analysis on volatile and phenolic compounds; study their role during the ripening, the transformation and the shelf-life;
- 2) Study of the influence of agronomic and technological factors in the production process on qualitative aspects of the final product, from marketable, healthy and sensory point of view in virgin olive oil and other food sectors;
- 3) Optimization of processing parameters of some food industry operations in relation to the sensory and healthy quality of products;
- 4) Valorisation of by-products of wine and olive oil industry and study of their potential applications;
- 5) Evaluation of biological properties of phenolic compounds present in olives, virgin olive oils and their co-products.

INSTITUTIONAL ROLES AND
BOARDS MEMBERSHIP

Academic management roles

- President of the Council of the B.Sc. and M. degree courses in "Agro-food Sciences and Technologies" (L-26) "Technologies and Biotechnologies of Food" (LM-70) of University of Perugia (2020 to Present);
- Member of the Doctoral School of Plant Biology and Agro-environmental, Food and Animal Biotechnology and later in Agricultural, Food and Environmental Sciences and Biotechnology of University of Perugia;
- Member of the Council of the Agricultural, Food and Environmental Science Department of the University of Perugia.

Coordination activities

- Coordinator of the Erasmus plus Program with the Université de Montpellier I (France), Universidad de Castilla-La Mancha (Spain), Instituto de la Grasa-CSIC- Sevilla (Spain).

Congresses Scientific or Organizing Committees

- Member of the Organizing Committee of the XX Workshop on the Developments in the Italian Ph.D. Research on Food Science, Technology & Biotechnology (Perugia) (September 2015);
- Member of the Organizing Committee and member of the Scientific Committee of Congress SISSG 2022 "EDIBLE OILS AND FATS: INNOVATION AND SUSTAINABILITY IN PRODUCTION AND CONTROL" (Perugia, June 15-17, 2022).

ADDITIONAL INFORMATION**Patent**

Co-Inventor: "Starter per la deamarizzazione biologica delle olive da mensa": 2017, N. 0001428559

Co-Inventor "Crema di olive a basso contenuto in grassi ed in sodio, ad alto contenuto in fibra e composti fenolici bioattivi, ottenuta da co-prodotti dell'estrazione meccanica dell'olio vergine di oliva". Under evaluation

Co-Inventore "Estrazione di coloranti naturali da matrici vegetali del settore viticolo ed enologico ad uso tintorio". Under evaluation

Affiliation to scientific societies

She is member of: Member of: Italian Society of Food Science and Technology (SISTAL), Italian Society for the Study of Substances Grasse (SISSG), European Federation for the Science and Technology of Lipids (Euro Fed Lipid), National Academy of the Olive and Oil
