**ResearcherID:** G-8103-2012

### **Educational qualifications:**

1982: High school degree **Perito Chimico Industriale e Capotecnico**

1987: **Degree in Chemistry**, at the University of Perugia, marks 110/110 e Lode, experimental thesis "Structural and solvent effects on the photophysical behaviors of di-pyridyl ketones"

1987: **Abilitazione alla professione di Chimico** marks 92/100

1988-1989: Military service joined in Arma dei Carabinieri

1992: **PhD in Chemistry** (IV° Cycle), at the University of Perugia, experimental thesis "Photophysical and photochemical study of some classes of photosensitizers"

### **Advanced Schools:**

1988: Specialization course in Applied Molecular Sciences, University of Perugia

1989, October 2-6: Photochemistry National School, CNR Research Area, Roma

1991, June 30 - July 13: Computational Chemistry School, University of Perugia

1991, September 1-6: National Seminary of Physical Chemistry, Torino

1992, September 20-25: EPA Summer School on photoinduced energy and electron transfer in supramolecular species: artificial models and natural systems, Rimini

1994, October 23-27: National Seminary of Physical Chemistry: Physical Chemistry of Molecular identification, Torino

1996, July 1-3: Scanning Electron Microscopy course, University of Perugia

1997, June 22-27: National Seminary of Physical Chemistry: Photochemistry, Torino

### **Job experiences:**

1988 January - June: **research agreement** concerning the photophysical and photochemical characterization of di-pyridyl ketones.

1991 January 1 – 2001 October 31: **collaboratore tecnico VII° livello** (Degree Technician) at the Chemistry Department of the University of Perugia.

2001 November 1 – 2015 August 2: **Senior Researcher** discipline area CHIM02 (Physical Chemistry) till 2005 then transferred to discipline area CHIM12 (Environmental and Cultural Heritage Chemistry)

2015 August 3 – today: **Associate Professor** discipline area CHIM12 (Environmental and Cultural Heritage Chemistry)
