

GABRIO BASSOTTI

CURRICULUM VITAE ET STUDIORUM

Born in Amelia (Terni), Italy, March 31, 1957

Home address: Strada del Cimitero 2/a, 06131 S.Marco, Perugia, Italy. Phone and FAX 075/5847570; email: gabassot@tin.it

Hospital address: Sezione di Gastroenterologia ed Epatologia, Dipartimento di Medicina e Chirurgia, Ospedale Santa Maria della Misericordia, Piazzale Menghini, 1, 06156 San Sisto (Perugia), Italy. Phone 075/5784423.

High school: Classic Gymnasium "C.Tacito" of Terni, Italy.

Graduation: MD degree at "La Sapienza" Roma University School of Medicine, July 29, 1981, cum laude.

Subspecialty: Gastroenterology and Digestive Endoscopy, Perugia University School of Medicine, July 07, 1986, cum laude.

PhD degree: Experimental Surgery, Perugia University School of Medicine, October 25, 1993.

Professorship: Associate Professor of Gastroenterology, Perugia University School of Medicine, August 10, 2006

Website: <https://sciprofiles.com/profile/GabrioBassotti>

Internships abroad:

- from May 18 to July 2, 1987 in the Laboratoire de Pharmacologie et Toxicologie dell'Institute Nationale de la Recherche Agronomique (INRA) of Toulouse (France), where he studied and acquired experience in intestinal myoelectric recordings in man and experimental animal models tutored by Drs Lionel Bueno, Jean Fioramonti and Marie Jose Fargeas;
- from May 5 to May 20, 1989 in the Gastrointestinal Physiology Laboratory, Francis Scott Key Medical Center, Johns Hopkins University School of Medicine, Baltimore (USA), directed by Dr William E.Whitehead, where he acted as consultant for human colonic motility.

Awards:

- Francesco Narducci Association Award, January 1989, for the best subspecialty thesis in Gastroenterology and Digestive Endoscopy.
- Associazione Italiana Gastroenterology Ospedalieri (AIGO) award, September 2014, for a research project

Hospital appointments:

- from July 1 to July 31, 1990, as Clinical Assistant of Medicine in the Institute of Special Medical Pathology and Clinical Methodology, Perugia University School of Medicine.
- from August 1, 1990, to November 30, 1993 as Clinical Assistant of Medicine in the Institute of First Medical Clinic and Medical Therapy (Gastroenterology Section), Perugia University School of Medicine.
- from December 1, 1993, to February 12, 1995, as Clinical Assistant of Medicine in the Gastroenterology and Digestive Endoscopy Clinic, Department of Clinical Medicine, Pathology and Pharmacology, Perugia University School of Medicine.
- from February 13, 1995, to October 30, 2006 as Deputy Chief in the Gastroenterology and Hepatology Clinic, Department of Clinical and Experimental Medicine, Perugia University School of Medicine.
- from November 1, to date, as Associate Professor of Gastroenterology in the Gastroenterology and Hepatology Unit of Azienda Ospedaliera of Perugia
- from April 29, to date, as Chief of the Gastroenterology and Hepatology Unit of Azienda Ospedaliera of Perugia

University appointments:

- Visiting Scientist in the Department of Psychiatry and Behavioral Sciences, Center for Study of Functional and Motility Disorders of the Gut, Johns Hopkins University School of Medicine and Francis Scott Key Medical Center, Baltimore (USA), from October 1, 1990 to September 30, 1993.
- Visiting Associate Professor, Division of Digestive Diseases and Nutrition, Department of Medicine, University of North Carolina at Chapel Hill, Chapel Hill (USA), from March 1, 1994, to February 28, 1996.

- Clinical Associate Professor, Department of Medicine, School of Medicine, University of North Carolina at Chapel Hill, Chapel Hill (USA), from March 1, 1996 to February 28, 2002.
- Contract Professor, course "Gastrointestinal endocrine system", Subspecialty School of Endocrinology and Metabolic Diseases, University of Perugia Medical School, academic years 1990-1991; 1991-1992; 1992-1993; 1993-1994.
- Contract Professor, course "Instrumental techniques for the study of gastrointestinal motility", Subspecialty School of General Surgery, University of Perugia Medical School, academic year 1991-1992.
- Contract Professor, course "Instrumental techniques for the study of gastrointestinal motility", Subspecialty School of Gastroenterology and Digestive Endoscopy, University of Perugia Medical School, academic years 1991-1992; 1992-1993.
- Contract Professor, course "Motor pathophysiology of the digestive system", Subspecialty School of Gastroenterology and Digestive Endoscopy, University of Perugia Medical School, academic years 1994-1995; 1995-1996; 1996-1997; 1997-1998.
- Contract Professor, course "Motor pathophysiology of the digestive system", University Qualification in Dietology and Applicate Dietetics, University of Perugia Medical School, academic years 1994-1995; 1996-1997; 1997-1998.
- Associate Professor of Gastroenterology, University of Perugia Medical School, Department of Clinical and Experimental Medicine, from November 1, 2006.
- Responsible for the Gastroenterology course of the Nursing Degree of University of Perugia Medical School, (location: Città di Castello), academic year 2006-2007; 2007-2008; 2008-2009; 2009-2010; 2010-2011; 2011-2012;
- Responsible for the Gastroenterology course of the Medicine Degree of University of Perugia Medical School, academic year 2007-2008; 2011-2012;
- Responsible for the Gastroenterology course of the Nursing Degree of University of Perugia Medical School, (location: Perugia), academic year 2007-2008; 2008-2009; 2009-2010; 2010-2011; 2011-2012; 2014-2015 (A channel); 2015-2016 (A channel); 2016-2017 (A channel);
- Responsible for the course in Physiology and Pathophysiology, Subspecialty School of Gastroenterology and Digestive Endoscopy, University of Perugia

Medical School, academic year 2007-2008; 2008-2009; 2009-2010; 2010-2011; 2011-2012;

- Responsible for the Gastroenterology course of the Medicine Degree of University of Perugia Medical School (Terni location), academic year 2012-2013; 2013-2014; 2014-2015; 2015-2016; 2016-2017; 2017-2018; 2018-2019; 2019-2020; 2020-2021
- Coordinator of the Gastroenterology Section, Department of Medicine, University of Perugia Medical School, from 01-01-2014;
- Responsible for the Gastroenterology course (channel A) of the Medicine Degree of University of Perugia Medical School, academic year 2014-2015; 2015-2016; 2016-2017; 2017-2018; 2018-2019; 2019-2020; 2020-2021

Scientific societies membership:

- Società Italiana di Gastroenterologia (SIGE)
- Associazione Italiana Gastroenterologi Ospedalieri (AIGO)

Editorial Boards membership:

- World Journal of Gastroenterology
- Digestive and Liver Disease
- Global Journal of Surgery
- Gastroenterology and Hepatology from Bed to Bench
- Techniques in Coloproctology (Section Editor – Motility)
- Case Reports in Gastrointestinal Medicine
- Journal of Gastroenterology and Hepatology Research
- Journal of Surgery
- Medicine (Academic Editor)
- Reviews in Gastroenterology, Hepatology and Nutrition
- Minerva Gastroenterologica e Dietologica
- Journal of Clinical Medicine (Guest Editor)

Scientific activity:

is represented by 717 publications (453 quoted in Medline; h-index: 56).

As Invited Speaker, he lectured to:

- Congress of European Society for Gastroenterology and Endoscopy (EAGE), Sirmione (Italy), March 1988;
- Updating Course in Gastrointestinal Motility, San Giovanni Rotondo (Italy), October 1988;
- International Symposium on Stress and Digestive Motility, Mont Gabriel (Canada), March 1989;
- Division of Digestive Diseases, Francis Scott Key Medical Center, Johns Hopkins University School of Medicine, Baltimore (USA), May 1989;
- International Congress on Esophageal Diseases, Taormina (Italy), September 1989;
- Second Psychophysiological Conference on Digestive Diseases, Budapest (Hungary), September 1989;
- High School of Oncology and Biomedical Sciences, Santa Margherita Ligure (Italy), March 1990;
- IV National Congress of Italian Group for the Study of Digestive Motor Disorders (Gruppo Italiano per lo Studio della Motilità dell'Apparato Digerente, GISMAD), Sirmione (Italy), April 1990;
- International Meeting on Colonic Functional Disorders, Ischia (Italy), April 1990;
- Crotonesi Meetings of Gastroenterology and Digestive Endoscopy, Crotona (Italy), October 1991;
- Course on Interstitial Motility Disorders, San Giovanni Rotondo (Italy), February 1992;
- V National GISMAD Congress, Marina di Ravenna (Italy), July 1992;
- XIII National Congress of Italian Medical-Surgical Society of Digestive Disorders (Società Italiana Medico Chirurgica di Patologia dell'Apparato Digerente, SIPAD), Perugia (Italy), September 1992;
- Course of Italian Association of Hospital Gastroenterologists (Associazione Italiana Gastroenterologi Ospedalieri, AIGO), Vieste (Italy), October 1992;
- Course "Upper gastrointestinal motility: diagnostic techniques and clinical applications", Cortona (Italy), November 1992;
- National Congress of Club del Tenue (Small Bowel Club), "Abnormalities of small bowel motility", San Giovanni Rotondo (Italy), December 1992;
- Congress of Triveneta Surgical Society, "Diverticular disease", San Donà di Piave (Italy), January 1993;
- IV National Congress of Italian Federation of Coloproctology, Roma (Italy), March 1993;
- High School of Oncology and Biomedical Sciences, Santa Margherita Ligure (Italy), March 1993;
- Meeting "Gastrointestinal motility disorders", Firenze (Italy), May 1993;
- International Congress "Clinical pathophysiology of gastrointestinal and biliary tree motility", Boario Terme (Italy), September 1993;
- National Academy of Medicine, Course "Gastric and esophageal pathology from duodenogastric reflux", Santa Margherita Ligure (Italy), April 1994;
- Meeting of the Italian Society for Celiac Disease, Teramo (Italy), September 1994;
- International Seminar on gastro-intestinal motility disorders in childhood, Napoli (Italy), November 1994;

- National Congress of Digestive Diseases, Firenze (Italy), December 1994;
- Symposium on chronic constipation, Bologna (Italy), April 1995;
- XXVII Congreso Argentino de Gastroenterologia, Buenos Aires (Argentina), November 1995;
- Workshop on colonic motility and transit, Lanaken (Belgium), April 1996;
- Falk Symposium No. 95, “Constipation and ano-rectal insufficiency”, Freiburg (Germany), October 1996;
- 2nd Updating Meeting in Gastroenterology, "Irritable bowel syndrome, gastric and duodenal ulcer", Venezia (Italy), December 1996;
- Monotematic Didactic Course in Perineology "Spastic perineum syndrome", Ancona (Italy), April 1997;
- 4th International Course "Controversies in colon and rectal surgery", Nijmegen (Holland), September 1997;
- Workshop on PEG and constipation, Roma (Italy), October 1997;
- Updating Course in Coloproctology, Alba (Italy), May 1998 ;
- II Simposio de Motilidad y Trastornos Funcionales Esofago-Gastro-Intestinales, Mar del Plata (Argentina), June 1998 ;
- VIII National GISMAD Congress, St Vincent (Italy), February 1999 ;
- Symposium of the Nederlandse Vereniging Voor Gastro-enterologie, “Neurological disorders and the G.I. tract”, Veldoheven (Holland), March 1999 ;
- 7th United European Gastroenterology Week, Roma (Italy), November 1999;
- Stage on Esophageal Diseases, San Giovanni Rotondo (Italy), March 2000;
- IX National GISMAD Congress, Course “Anorectal manometry and related techniques”, Milano Marittima (Italy), September 2000;
- National Congress “Anorectal functional disorders: pelvic floor dyssynergia”, Napoli (Italy), September 2000;
- II National Congress of Italian Study Group for Intestinal Dysmotilities (Gruppo Italiano di Studio delle Dismotilità Intestinali, GISDI), Castel di Sangro (Italy), March 2001;
- 5th Joint Meeting of Coloproctology and Stomatherapy, Milano (Italy), November 2001;
- Meeting of the Diabetic Neuropathy Study Group of Italian Diabetes Society, Perugia (Italy), March 2002;
- X National GISMAD Congress, Marina di Ostuni (Italy), May 2002;
- VIII National Congress of Digestive Diseases, Roma (Italy), June 2002;
- 103th National Congress of Italian Society of Internal Medicine, Milano (Italy), November 2002;
- Course “Functional anorectal disorders”, Napoli (Italy), March 2003;
- Course “Functional disorders: definition, diagnostic iter and therapy”, Napoli (Italy), May 2003;
- 11th International Conference on Ulcer Research, Dubrovnik (Croatia), September 2003;
- 13th United European Gastroenterology Week (UEGW), Praha (Czeck Republic), September 2004;

- XI National GISMAD Congress, Palermo (Italy), October 2004;
- V Simposio de Motilidad Digestiva, Mar del Plata (Argentina), November 2004;
- Clinical-radiological Meeting “Small bowel imaging”, Perugia (Italy), March 2006;
- Gastrointestinal Workshop, Asti (Italy), September 2006;
- Pre-Meeting Course “Digestive pathophysiology in practice”, Padova (Italy), January 2007;
- XII National GISMAD Congress, Gardone Riviera (Italy), April 2007;
- Congress “Therapeutic management of the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2007;
- XIII Italian Congress of Digestive Diseases, Palermo (Italy), September-October 2007;
- 109th Congress of the Italian Society of Surgery, Verona (Italy), October 2007;
- Meeting of Piemonte Section of Italian Society of Digestive Endoscopy (SIED), Asti (Italy), February 2008;
- 10th International Meeting of Coloproctology, Saint Vincent (Italy), April 2008;
- Inter-regional Congress of the Tosco-Umbra Surgical Society, Terni (Italy), April 2008;
- Symposium “Update in Gastroenterology” Nexus 2008, Torino (Italy), June 2008;
- VII Symposium of digestive motility, Buenos Aires (Argentina), June 2008;
- ANEMGI Symposium “Constipation and...”, Roma, November 2008;
- Montecatini Interactive Medicine International 3, “Clinical cases in gastroenterology & hepatology”, Montecatini Terme (Italy), February 2009;
- XV Italian Congress of Digestive Diseases, SIGE-AIGO postgraduate course “Gastroenterological problems in the elderly: peculiarity and management”, Milano (Italy), April 2009;
- Advanced Course “Hot Topics in Gastroenterology”, Ancona (Italy), November 2009;
- Congress “Neuromodulation in gastroenteric motor dysfunctions”, Pisa (Italy), December 2009;
- XV Italian Congress of Digestive Diseases, SIGE course “Fecal incontinence”, Verona (Italy), March 2010;
- Course “Emergencies in gastroenterology”, Milano (Italy), May 2010;
- Opioid Induced Bowel Disorders (OIBD) Investigators’ Meeting, Amsterdam (The Netherlands), May 2010;
- ANEMGI Congress “Functional gastrointestinal diseases: from symptoms to therapy”, Roma (Italy), September 2010;
- Congress “IBD: what news?”, Drizzona (Italy), November 2010;
- Meeting Gruppo Italiano Malattia Diverticolare (GRIMAD), Roma (Italy), December 2010;
- Opioid Induced Bowel Disorders (OIBD) Investigators’ Meeting, Amsterdam (The Netherlands), London (UK), January 2011;
- 1st Central Italy Joint Meeting SICCR-AIUG, Integrated multi-disciplinary course of pelvic floor diagnostic, Terni (Italy), March 2011;

- Monotematic neuro-urology course “Sacral neuromodulation in idiopathic and neurologic disturbance of continence: balance and perspectives”, Ancona (Italy), May 2011;
- Second GRIMAD Meeting, Bologna (Italy), June 2011;
- Falk Symposium no. 178: “Diverticular disease: a fresh approach to a neglected disease”, Cologne (Germany), September 1011;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2011;
- Course on “Chronic constipation”, San Martino in Campo (Italy), October 2011;
- 4th International Course on Digestive Pathology, Bucharest (Romania), November 2011;
- Congress “Functional disturbances of the lower gastrointestinal tract”, Pisa (Italy), November 2011;
- Congress “The patient with chronic constipation: new therapeutic approach”, Firenze (Italy), January 2012;
- 18th National Congress of Digestive Diseases, Napoli (Italy), March 2012;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), June 2012;
- First national congress “Unity and vaktue of Italian surgery”, Roma (Italy), September 2012;
- Course “Hot topics in Gastroenterology”, Ancona (Italy), October 2012;
- Yearly teaching course (gastroenterology and digestive endoscopy) for general practitioners, Roma (Italy), October 2012;
- 5th International Course on Digestive Pathology, Bucharest (Romania), November 2012;
- Meeting “Chronic constipation: from empiric management to evidence-based approach”, Oleggio Castello (Italy), November 2012
- National AIGO Course 2012 “From pathophysiology to clinical practice”, Pisa (Italy), November 2012;
- Italian consensus conference on diverticular disease, Bologna (Italy), February 2013;
- Updating course “Constipation and diverticular disease in the elderly”, Fano (Italy), February 2013;
- Course “Therapeutic optimization in IBD”, Viareggio (Italy), May 2013;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2013;
- Meeting “Diverticulosis and diverticular disease”, San Martino in Campo (Italy), October 2013;
- 6th International Course on Digestive Pathology, Bucharest (Romania), November 2013;
- Congress “Grey area in the management of pelviperineal dysfunction in the elderly”, Jesi (Italy), November 2013;
- Training course on methods to investigate gastrointestinal motility, Pisa (Italy), November 2013;
- National AIGO course, Torino (Italy), November 2013;

- International symposium “Diverticular disease of the colon”, Roma (Italy), February 2014;
- Bologna Gastroenterology Meetings: “Diverticular disease”, Bologna (Italy), February 2014;
- Meeting “Endocampus 2014”, Ariano Irpino (Italy), June 2014;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2014;
- Post-graduate Course “Advances in gastrointestinal pharmacology and therapeutics”, Parma (Italy), April 2015
- Umbria day for inflammatory bowel diseases, Perugia (Italy), June 2015;
- Meeting “Planet constipation: a name, many problems!”, Ravenna (Italy), October 2015;
- Meeting “Enterocolitides, IBS, IBD, and beyond”, Milano (Italy), November 2015;
- Meeting “Diverticulosis & diverticular disease”, Gubbio (Italy), November 2015;
- 2nd International Symposium “Diverticular Disease of the colon”, Roma (Italy), April 2016;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2016;
- Advanced course on colitis: from microscopy to the patient, Bergamo (Italy), October 2016;
- AFIDAY Umbria Congress, Perugia (Italy), October 2016;
- AIGO National Course “Diagnostic and therapeutic innovations and economic sustainability in gastroenterology”, Perugia (Italy), November 2016;
- Updating course “Constipation-obstructed defecation-incontinence”, Perugia (Italy), March 2017;
- University Master of IInd degree of Multidisciplinary Surgery of the Pelvic Floor, Pisa (Italy), April 2017;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2017;
- Congress “Gastroenterology and digestive endoscopy: looking at the past, managing the present, be prepared for the future”, Roma (Italy), November 2017;
- 15th International Coloproctology Meeting, Torino (Italy), April 2018;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2018;
- AIGO National Course “Diagnostic and therapeutic pathways in gastroenterology and digestive endoscopy”, Ravenna (Italy), November 2018;
- FISMAD National Congress, Roma (Italy), March 2019;
- 3rd International Symposium: Diverticular Disease of the colon, Madrid (Spain), April 2019;
- 39th National Congress of Gastroenterology, Hepatology and Digestive Endoscopy, Timisoara (Romania), June 2019;
- 9th Multidisciplinary course on IBD: a shared approach. Torino (Italy), June 2019;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2019;

- 12th International Course on Digestive Pathology, Bucharest (Romania), November 2019;
- Hot Topics in Gastroenterology, Ancona (Italy), November 2019;
- Hot Topics in digestive diseases, Perugia (Italy), December 2019;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), October 2020;
- ANEMGI Congress “Approach to the patient with chronic gastrointestinal disorders”, Roma (Italy), September 2021;
