Scientific Production Author of more than 230 printed papers, 106 of whom cited by PubMed, as reported riportato in attached File #1

Co-author of the book "Atlante di chirurgia dermatologica e chirurgia del melanoma", ISBN:

979-12-200-9188-6, September 2021

Collaborazioni nazionali e partecipazione a gruppi di ricerca nazionali e internazionali di interesse per il SSD MED/18, ovvero partecipazione agli stessi Ricerche in collaborazione con medici dell'Azienda Ospedaliero - Universitaria "Città della Salute e della Scienza " di Torino

Ricerche in collaborazione con medici dell'Azienda Ospedaliero - Universitaria di Careggi - Firenze afferenti

allo IMI e coordinati dal Dr. Vincenzo De Giorgi

Partecipazione a studi nazionali e internazionali ed a protocolli di ricerca

COMPETENZE PROFESSIONALI

Competenze professionali

During his career, Dr. Covarelli has participated in numerous refresher and specialization courses, among which the following are of greater importance:

- June 1988: Refresher course "Pathology and Surgery of the Pancreas", VII ACOI National Congress, Catania (25 hours, with final exam).

- June 1988: Theoretical-practical Italian course of Microsurgery, University of Brescia (duration 8 continuous days; at the end of the course he is the winner of a scholarship).

- September 1989: Course on Staging and therapy of gastric cancer, University of Verona (4 continuous days).

- August - September 1989: Scholarship in Practical Microsurgery, at the Orthopedic Clinic of the University of Brescia directed by Prof. Brunelli (30 days).

- September 1990: internship at the Institute of Surgical Clinic III, University of Palermo (Prof. Bazan) to learn the techniques of DNA analysis in solid tumors (3 days).

- December 1995: Practical Course Chronic inflammatory bowel diseases, II course, at the General Surgery, University of Florence, directed by Prof. F. Tonelli (continuous 4 days).

- April 1996: "Refresher course in Coloproctology" at the U.C.P. of Ivrea (5 days).

- October 2000: "Postgraduate course: Problems in general thoracic surgery" at the Thoracic Surgery of the University of Perugia (2 days).

- November 2004: "Focus in Laparoscopic Surgery", c / o the IIa U.O. of General and Vascular Surgery, Florence (2 days)

- May 2005: "Minimally invasive operating techniques in colorectal surgery" c / o European Surgical Institute, Hamburg (2 days)

- 22-23 October, 2018: ESSO Course on Electrochemotherapy of Cutaneous and Deep Seated Tumors in Ljubljana (Slovenia) (2 days)

Dr. Covarelli boasts a large number of surgical cases, which, excluding procedures performed on an outpatient basis, amount to approximately 8250 interventions, of which over 4700 as first operator, divided as per detailed case histories.

He has also always participated in the remaining assistance activities consisting of a visit to the ward, outpatient activities including minor surgery, guard shifts and emergency acceptance as head of the team.
